

# Visitation School Farewell Celebration

Log on to [visitationcatholicchurch.com](http://visitationcatholicchurch.com) and leave a note on the message board.

After a wonderful tradition of 60 years of Catholic Education

Visitation School will be closing this spring.

We're having a last hurrah at Visitation to pay tribute to all of the dedicated students, teachers, staff and parishioners who have kept Visitation running all these years. Dance in the gym, sit at your desk. See old friends, wear your uniform (just kidding!) and make new memories.

Renew acquaintances, photo ops and plenty of fun!
